New Phebra Website and Online Ordering System

Phebra is pleased to announce the launch of its new company website that incorporates an easy to use online ordering system. Investment in our website and the introduction of a convenient online ordering system is another example of our commitment to improvement in the service we provide to our valued customers.

The new Phebra Website can be found at www.phebra.com.

We look forward to providing our customers with an easier and more efficient way to place their orders directly with Phebra. At Phebra we pride ourselves in providing quality pharmaceuticals and manufacturing prowess to meet the requirements of a niche market.

Further information regarding the website can be obtained from the Phebra customer service team
